

Regional Specialty August 19/22

CKCSC CANADA REGIONAL FRIDAY AUGUST 19, 2022

After a long a waited opportunity to enjoy dogs north of the border, the day finally arrived with glorious Ontario weather. There were many young dogs well presented with many gaining confidence in the ring. There were wonderful temperaments, dark round eyes, but some could be wider set and larger giving the melting expression we love. Toplines were good and there were very few with high tail carriages. The entry was a joy for me.

Judge: Karen Mills-Heron
