

EASTLAKE CKCS CLUB June 22, 2025**Karen Mills Heron**

Thank you for your invitation to judge your specialty and your hospitality and good humor on the very hot day. My beautiful judge's gift is one of a kind and will be much admired at cavalier events. I will enjoy the remembrance.

I was pleased to find many examples of exhibits of correct size and outline, slightly longer than tall, and with well cushioned pads. The melting expressions were much in evidence as were the affectionate temperaments.
